

Sermon: "Faithful Saints"

Date: 09/09/12

Ephesians 1:1-2

For Reflection and Discussion:

1. Identify sins and idols in our culture (both secular and religious). With which ones do you struggle? How do they manifest in your life personally?
2. How does the good news of Jesus confront these sins and defeat these idols?
3. What does it mean to be "faithful saints?" How does Christ secure this new identity for us?
4. What are practical ways our community exhibits action as "faithful saints?" How does this forward the mission to "make disciples?"
5. Spend time in reflection and prayer. Repent of sin and idols and believe the gospel.
