**For Reflection and Discussion:**

1. Share examples of brokenness in your life. How have you tried to "make things right" on your own?
2. What does Scripture tell us about personal forgiveness? In what ways have you experienced forgiveness personally? How does this shape your relationship with God?
3. How does the gospel change our relationships with others regarding forgiveness? Are there broken relationships in your life in which forgiveness needs to happen? What practical steps need to happen for reconciliation?
4. Spend time in prayer for each other. Encourage repentance, faith, and obedience in light of the good news of forgiveness.

**Hello.** We're Glad You Are Here.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.

**Announcements**

**Connections is the follow up class to Foundations.** Once you have been equipped with a clear understanding of who we are, what we are about, and what we believe at Redemption Church, you may be itching to, or have already begun to, get involved. *Connections* is how we encourage and assist you in taking the next step and plugging in.

In this class we will cover three basic topics:

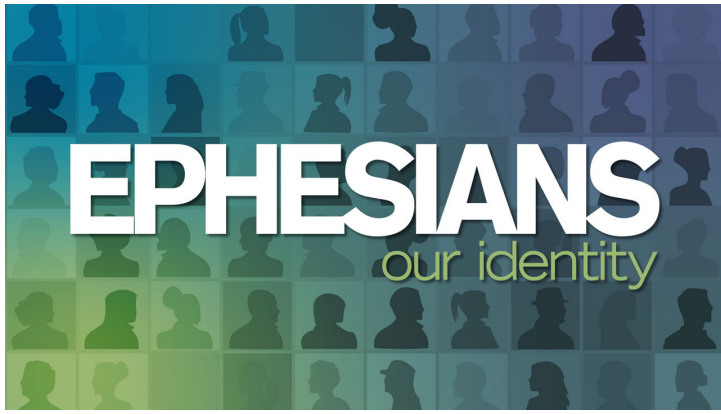

1. What we are doing
2. How it all works
3. Where and how you fit in

The first class will be held October 28 at 1124 Broad Street. Visit the Guest Services table for more information or RSVP on the City.

**Global Mission** - To find out how you can get involved in helping the church in Uganda and the medical clinic, please visit the City and join the Uganda group or speak to Tommy Mangione.

**The City** is web-based software that helps our church connect people into community, build deeper relationships, mobilize service and mission and make a lasting impact on our world with the Gospel. Whether you are a first-time guest, regular attender or member we want to get you plugged in. Visit the Connections table or kiosk to learn more and sign up.
