For Reflection and Discussion:

1. How does Scripture describe alienation? What examples do you see of this in our world today? In what ways have you experienced this personally?
2. How does Scripture define "peace?" What barriers keep us from experiencing peace with God and others?
3. Reflect on what Christ does for our reconciliation. What response does this evoke within you? How does this change our attention, affection, and motivations in life?
4. How does reconciliation change how we relate to others in Christian community?
5. Take time to respond in worship and thankfulness. Pray for ongoing hope and peace in you life personally, for your family, and those in your missional community.
