For Reflection and Discussion:

1. Review Eph. 3:1-13. What is "the mystery" and how is it revealed? What practical actions are to follow in light of this good news?
2. In what ways do you proclaim and display the gospel personally? Why are these two important biblically to display our identity in Christ? How do we do this together as a church community?
3. Identify barriers to forming biblical community in your life. How does the gospel break down these barriers? What practical steps do you need to take to foster this biblical community?
4. What role does biblical community play in spreading the good news of Jesus? What personal steps will you take in our gospel community on mission?
5. Spend time in prayer, repentance, and supplication. Ask for God's Holy Spirit to empower us as stewards of the gospel.
