For Reflection and Discussion:

1. How does Eph 4:17-19 describe life apart from Christ? What examples do you see of this today? In what ways have you experienced this personally?
2. How does God rescue us from the old life and give us the new life? How have you experienced this personally?
3. What does it mean to have a new identity, new heart, and new mind? What does this look like specifically in your daily life and motivations?
4. What specific actions are characteristic of the new life? How are you witnessing this in our church community? What are some ways we can do this practically?
5. Spend time in prayer for conviction, repentance, assurance, and boldness to live the new life.
