For Reflection and Discussion:

1. Share your story. What did "darkness" look like in your life before Christ? How did he save you and change you? What does "light" look like now?
2. How does the identity of being "beloved children" defeat fears and doubts and give you security, joy, and hope? How does this shape your worship and motivations in daily life and relationships?
3. In what ways does Scripture say we are to imitate God and "walk in love as Christ"?
4. How can we be "light of the world" together? In what ways do you participate in this personally?
5. Pray for each other, celebrating God's work in you and through you. Pray for the opportunities for us to be "light" together.

Hello. We're Glad You Are Here.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.

Foundations Class: Sunday, April 21st, 4pm at 1124 Broad Street. Contact jeremy@redemptionchurchga.com

The Foundations class is a requirement for all those who wish to publicly align themselves with Redemption Church through church membership. While this class is required before membership at Redemption Church, you are not making a commitment to join simply by attending the class. If you have questions or just want to know more about who we are and what we believe, this opportunity is for you.

In this class we cover three basic topics:

- Who we are and what we're about
- What we believe
- What is required of members

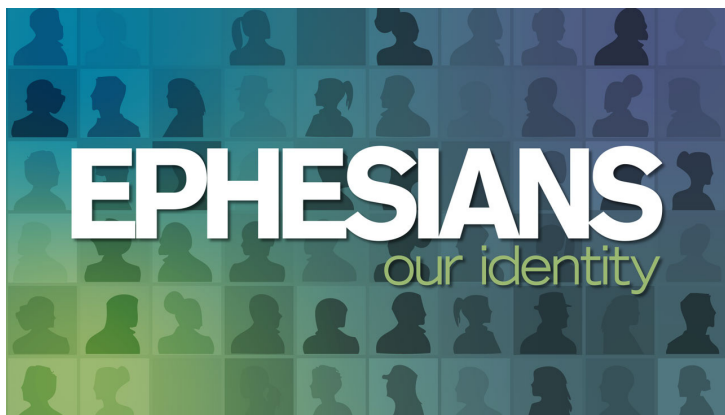

Baby Dedications: May 12 (Mothers Day). Contact Wendy Webb via the City if you are interested in being a part of this celebration.

Men's Breakfast: Beginning Thursday, May 2nd - reading "The Explicit Gospel." Join the "men's breakfast" group on the City or email jeremy@redemptionchurchga.com if interested.

Global Mission - To find out how you can get involved in helping the church in Uganda and the medical clinic, please visit the City and join the Uganda group or speak to Reggie Horne.

The City is web-based software that helps our church connect people into community, build deeper relationships, mobilize service and mission and make a lasting impact on our world with the Gospel. Whether you are a first-time guest, regular attender or member we want to get you plugged in. Visit the Connections table or kiosk to learn more and sign up.
