For Reflection and Discussion:

1. Share examples of struggles and hardships you wrestle through (v. 12). What are some things in which you find your identity and that you fight for?
2. How does the identity of Christ as our Warrior King change our identity? How does this change how we deal with struggles?
3. Review Eph. 6:14-18. What armor does Christ provide our defense? How does truth, righteousness, faith, and salvation play out in our lives practically?
4. What armor does He provide for our advancing? In what ways are you advancing the gospel of peace personally? How are we doing this together?
5. Take some time to repent of disbelief and distrust. Confess ways you rely on your own strength and believe the gospel.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.
