For Reflection and Discussion:

1. Share your story of faith, being honest about doubts, struggles, and level of seriousness.
2. How did you initially respond to the gospel? In what ways does this good news influence you daily?
3. What are evidences of the gospel at work in our community together? What role does this church community have in reinforcing you active faith? How are you participating in building the faith of others?
4. Who has God given you opportunities to share the gospel? In what ways are you doing this?
5. Take time to pray for yourself, others in your church community, and those to whom you have the opportunity to share the gospel.
