For Reflection and Discussion:

- Share an example of how a small decision or action was a step to something much bigger (whether good or bad).
- 2. What are some ways we are tempted to drift from faith? How have you struggled in the past? In what ways do you struggle now?
- 3. What are some specific ways we can "pay much closer attention" personally? As a community together?
- 4. What are some biblical and historical examples of our "great salvation" being declared, attested to, and witnessed? How is this evident in our midst today?
- Take an honest assessment of your faith. Spend time in confession, repentance, belief, and prayer.

Hello. We're Glad You Are Here.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.
