## For Reflection and Discussion:

1. Read Hebrews 6:1-8. Reflect on the foundations of your faith (traditions, culture, family, past experiences, etc.). Share your story. What are some elements that have helped you grow in faith? What are some hurdles that have made it difficult for you to grow and to share your faith with others?
2. Share a personal example of feeling "stuck" in your journey of faith. What did this look like for you personally? What are some causes to getting "stuck" in growing in faith? What are the remedies to getting unstuck?
3. What are some disciplines that cultivate your faith? What role does community have in your progress? What role does Scripture and prayer play in this?
4. Take time to pray for one another and encourage each other in cultivating and building faith personally and in community.
