For Reflection and Discussion:

1. Do you tend to view the Old Testament law as a "legalist" or a "licentious" person? Share examples. What has influenced you toward this? How does the gospel change our tendency?
2. In what ways does the law show us our need for a savior? How does Jesus fulfill these expectations? (think of biblical examples and examples in your personal life)
3. Reflect on the concept of "positional sanctification." What does it mean to be "set apart as holy for holy purposes?" How does this change your relationship with God?
4. Reflect on the concept of "progressive sanctification." What does growth in holiness look like in your life personally? What role does community play in this growth? How does this shape our relationship with non-believers?

Hello. We're Glad You Are Here.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.
