For Reflection and Discussion:

1. What are some areas in which you find your identity? How does our confidence in these things lead to hurt, struggle, and disappointment?
2. What does it look like to have confidence in our new identity in Christ, both personally and as a community?
3. What are some ways we can "draw near with a true heart in full assurance of faith," and "hold fast the confession of our hope without wavering?"
4. What are some practical ways we "stir up one another to love and good works" and encourage one another? What impact can this have on the city, culture, and world?

Hello. We're Glad You Are Here.

If this is your first time here we'd like say "welcome." If you would like to know more about us or need help getting connected, please stop by the guest services table just outside the auditorium and someone there will be glad to answer your questions or direct you to someone who can.
