## Missional Communities

A **missional community** is a family of servant missionaries sent on mission by God to lead people to Jesus who lead people to Jesus.

A missional community is much more than a weekly event. MC's gather together at different times throughout the week to fulfill Jesus' mission of leading people to Jesus who lead people to Jesus. Together we learn how to worship and submit to Jesus in all of life by learning how to love one another as family, worship Jesus as servants who serve others, and share the good news of Jesus Christ as his sent missionaries.

Every missional community identifies a group of people whom they believe God is sending them to love, serve, and share Jesus with. It could be a neighborhood or network of relationships. We want to see every aspect of our city blessed by God's people: business, arts, education, sports, recreation, and social services.
