DNAs (Discover, Nurture, Act) are groups of 3-4 men or women from an MC who meet together weekly to study the word, pray, and help each other live in light of what they are studying. To join a DNA, talk with your MC leader.

Missional Communities

A **missional community** is a family of servant missionaries sent on mission by God to lead people to Jesus who lead people to Jesus.

A missional community is much more than a weekly event. MC's gather together at different times throughout the week to fulfill Jesus' mission of leading people to Jesus who lead people to Jesus. Together we learn how to worship and submit to Jesus in all of life by learning how to love one another as family, worship Jesus as servants who serve others, and share the good news of Jesus Christ as his sent missionaries.

Every missional community identifies a group of people whom they believe God is sending them to love, serve, and share Jesus with. It could be a neighborhood or network of relationships. We want to see every aspect of our city blessed by God's people: business, arts, education, sports, recreation, and social services.

2. What do you understand faith to be? How does the Gospel define faith? How does someone demonstrate faith? Is there any way your DNA Group, your MC, your family, or your friends could assist in the practice of your faith?
3. What role does prayer play in your life? What would help you to pray more? What changes in your life do you need to make regarding prayer?

Purpose: Gospel. Community. Mission.

Vision: To lead people to Jesus to lead people to Jesus.

Mission: To bridge barriers to the gospel through rhythms of practical Biblical teaching, practiced spiritual disciplines, relationship building, and personal service.
