## FALL OVERVIEW

Investing in and prioritizing prayer is an essential part of our discipleship to Jesus. Why? Because prayer is the medium through which we commune and communicate with God. This Fall our missional communities will be praying through the Lord's Prayer together. Weeks in bold are weeks where our missional communities will be hanging out, eating dinner and praying through the Lord's Prayer together. The only difference between "Big Group" vs. "Breakout" is whether we are praying as a large group or breaking into smaller groups to pray together.

## MC OPTIONAL WEEKS

Typically groups will work together at the beginning of a season to determine which of the "Optional" dates makes sense for their group.

# Fall 2023 Missional Community Calendar

## Emphasis: Being with Jesus

We know that Jesus has often been misrepresented (yep, by us too). At Redemption Church we want to be about making the real Jesus known by being honest about our failures, loving the way He loves, serving the city for the good of all, and inviting everybody into the family of God. And we believe Scripture teaches that this happens best in community with others, which is why we place such a great deal of emphasis on the life of our Missional Communities.

In short, Missional Communities (or MC's as you will hear people refer to them) are groups of 6-20 people who meet together weekly to practice the ways of Jesus together. This will take different forms in different seasons, but will typically involve time hanging out together, time gathered around the Scripture and time in prayer together. The calendar on the other side of this page will provide more "season specific" details.

We would love to help you learn more and connect with a Missional Community. You'll find a list of MC's and contacts below. If we can help you in any way, shoot me an email at
