OVERVIEW

Lent, the season where the Church traditionally prepares for Easter, has been celebrated by Christians around the world for centuries. Many people, if they celebrate Lent at all, use it primarily as a time to give up some less-than-healthy habit. But the season includes so much more! This season we will be participating in practices, prayers, and services all designed to encourage reflection and repentance. We want to invite you to join your journey through Lent with us.

Being With Jesus: A Journey Through Lent

We know that Jesus has often been misrepresented (yep, by us too). At Redemption Church we want to be about making the real Jesus known by being honest about our failures, loving the way He loves, serving the city for the good of all, and inviting everybody into the family of God. And we believe Scripture teaches that this happens best in community with others, which is why we place such a great deal of emphasis on the life of our Missional Communities.

In short, Missional Communities (or MC's as you will hear people refer to them) are groups of 6-20 people who meet together weekly to practice the ways of Jesus together. This will take different forms in different seasons, but will typically involve time hanging out together, time gathered around the Scripture and time in prayer together. The calendar on the other side of this page will provide more "season specific" details.

We would love to help you learn more and connect with a Missional Community. You'll find a list of MC's and contacts below. If we can help you in any way, shoot me an email at Brent@redemptionchurchga.com.
