For Reflection and Discussion:

1. Gospel: "Calling" is both "designation" and "direction." How does this good news shape your personal identity? How does this change your personal motivations? Think of examples of how Jesus displays humility, gentleness, patience, and love. In what ways does the gospel free us and change us to live like Christ in this way?
2. Community: Discuss the theme of "community." What barriers exist in living in community? What role does community play in our "walking in a manner worthy of the calling to which you have been called?" In what ways does community reflect the character of God and display the gospel?
3. Mission: In what ways would "walking in a manner with of our calling" impact the community and culture around us? Spend time in prayer for each other - for personal character of humility, gentleness, patience, and love as well as unity and peace in the church community.

Purpose: Gospel. Community. Mission.

Vision: To lead people to Jesus to lead people to Jesus.

Mission: To bridge barriers to the gospel through rhythms of practical Biblical teaching, practiced spiritual disciplines, relationship building, and personal service.
