Missional Communities

A **missional community** is a family of servant missionaries sent on mission by God to lead people to Jesus who lead people to Jesus.

A missional community is much more than a weekly event. MC's gather together at different times throughout the week to fulfill Jesus' mission of leading people to Jesus who lead people to Jesus. Together we learn how to worship and submit to Jesus in all of life by learning how to love one another as family, worship Jesus as servants who serve others, and share the good news of Jesus Christ as his sent missionaries.

Every missional community identifies a group of people whom they believe God is sending them to love, serve, and share Jesus with. It could be a neighborhood or network of relationships. We want to see every aspect of our city blessed by God's people: business, arts, education, sports, recreation, and social services.

For Reflection and Discussion:

1. Read Matthew 17:1-13. As Jesus is more fully revealed to be the Christ, what essential elements of His identity are being made known?
2. Discuss any parts of the passage that seem strange or even unreal. Why do you think it was necessary for Jesus to reveal His Divinity to the disciples at this point in the story?
3. What is demonstrated in how Jesus reacts to His disciples when they fall on their face at hearing the voice of God?
4. Can you articulate the good news of the person and work of Jesus? Practice sharing the gospel with each other in your family, DNA, or missional community.

Purpose: Gospel. Community. Mission.

Vision: To lead people to Jesus to lead people to Jesus.

Mission: To bridge barriers to the gospel through rhythms of practical Biblical teaching, practiced spiritual disciplines, relationship building, and personal service.
